

Information Commissioner's Office
Promoting public access to official information
and protecting your personal information.

The Freedom of Information Act came into force at the beginning of 2005 and encourages greater openness and transparency across the whole public sector.

The Act obliges every public authority to adopt an approved Publication Scheme. The intention of a Publication Scheme is to require authorities to make certain kinds of information routinely available to the public.

Cyngor Tref Llanwrtyd Town Council are pleased to be working with the Information Commissioner's Office to ensure that members of the public have access to all the information they need, and to give local people confidence in the work and integrity of the town council and its members.

Cyngor Tref Llanwrtyd Town Council.
Proud to be working with, and providing
representation for local people on all levels.
