

Llanwrtyd Wells Town Council

Councillor Jim Davies

I was born on Station Road in Llanwrtyd Wells and am married to Sandra. I have two sons, one who lives and works locally and one who lives and works in the nearby village of Beulah. I am the fourth generation of the Davies family to live in Llanwrtyd Wells. Apart from a short time after getting married I have always lived and worked within travelling distance of Llanwrtyd Wells so my

knowledge of this area is very good.

As a mechanical engineer I worked for the Forestry Commission and later from home as a Field technician for John Deere Forestry.

I am a previous member of Llanwrtyd Wells Town Council and served as Town Mayor during 1992-1993. I gave up the position due to work commitments which did not allow me enough time to dedicate to the Council. However my circumstances have now changed and I am able to give the Council and residents of Llanwrtyd my full support in any way I can.

My previous voluntary work includes being a founder member and Chairman of the Twinning association, of which I am still a Committee Member. Secretary of Epynt Motor Club, and joint Church warden at St. David's Church. I am the current Chairman of Llanwrtyd Wells's Allotment

I have also been involved with many fund raising events held in Llanwrtyd for local and other charities by taking part in concerts, shows and films.

Hobbies include DIY, gardening and vintage vehicles, particularly old tractors.

I am very proud to have been able to live and work in Llanwrtyd Wells for most of my life .I feel that by serving as a member of Llanwrtyd Wells Town Council I can give something back to the place that has always been "special" to me. I look forward to helping the residents in any way I can by dealing with ant issues honestly and fairly..
