

Llanwrtyd Twinning Association

Fund Raising

Fund raising activities take place on a regular basis in order to provide funds to pay for things such as postage, catering on Official visits. Currently there

are no Membership fees although this is an item for discussion at the AGM in April. Any fees, if they are introduced would be minimal, perhaps £3 for Individuals and £5 for families.

Fund raising is an important activity for the Association as they help pay for the day to day costs and enable us to provide

suitable hospitality for our friends when they visit. Activities are varied and we are always looking for new ideas. We currently have a Walking Treasure Hunt, usually in the summer, Quizzes, Horse Racing evenings-the races are pre-recorded for TV and bets are made in the usual way.

With the majority of the money paid out in prizes. We also hold various types of sales and have theme nights for Members and these are great fun, providing social interaction and at the same time raising money through a raffle draw.
